AMA CHARTER CLUB #397

NAPERVILLE, ILLINOIS

DECEMBER, 2019

Hi Guys,

Its December and 2019 is almost gone, and 2020 will be here soon. I hope 2020 will be a good year for all. Our Christmas auction will be on January 7th. We will have food catered for the Auction party. Desserts are welcome. This is the only time you can use your points that you earned during 2019, so come to the meeting and join the fun. There will be no Show and Tell at this meeting, but if you have a question about a new toy you received, we will always try to help.

As we start a new year, we will be getting our club calendar together. We will be asking what events you would like to have in 2020, what fun fly's you want to have, should we have an Air Show (I think we should), and bring back the picnic (another thing we did not have last year). These are just some things we can do. I will be sending out Blast messages asking for your ideas. We will also discuss club activities at our meetings during the winter.

It is the time to renew your AMA membership, get your Forest Preserve permit and pay your club dues. As I write this, the FAA and AMA are working on new rules that we will need to follow. I know they are working on a test of some kind that we will need to take so we can fly our models. I hope the FAA keeps this test simple and affordable. We will try to keep all our members informed with the details when they come out.

During the winter, outdoor flying is limited due to the cold weather. We can fly indoors at the Naperville Yard. Times are 12:00 to 3:00 PM Monday through Thursday; the price is \$8.00 dollars. Address: 1607 Legacy Cir., Naperville IL. Phone number: 630-245-1100. It's good to call first. During Christmas and New Years' break, there is no flying at the Yard, due to day care and other activities.

Have a great Holiday season!

As always,
Fly and be safe!
PRES
Tommy
